HART, Nathan H[redacted]

VII. Tentative Program

1988 Northeast Regional Conference on Developmental Biology

November 17-20, 1988

Marine Biological Laboratory, Woods Hole, MA

Thursday, November 17:

Noon - 5:30	Registration
5:00	Social
6:00	Dinner
7:30	Announcements: M. Goldsmith and N. Hart, Conference organizers
7:45	Special Address: J.P. Trinkaus, Yale University. "Cell Movements and Morphogenesis"
10:30	Social/Poster Session

Friday, November 18:

7:30 - 8:30	Breakfast
9:00	Session I: The Cytoskeleton and Early Development; E. Bonder, Rutgers University and P. Wadsworth, University of Massachusetts, Co-chairs.
Noon - 1:00	Lunch
1:00	Session II: Patterning Events Controlled by Homeobox Genes. W. McGinnis, Yale University, Chair.
5:30	Social
6:30	Dinner
8:00	Social/Square Dance

Saturday, November 19:

7:30 - 8:30	Breakfast
9:00	Session III: Environmental and Physiological Effects on Plant Development. R. Broglie, Dupont Company, Chair.
Noon - 1:00	Lunch
1:00	Business Meeting
1:30 - 5:00	Free afternoon for discussions
4:30	Social/Poster Session
6:30	Dinner
8:00	Keynote Address: D. Melton, Harvard University, "Molecular and Genetic Approaches to Early Animal Development"
9:30	Social

Sunday, November 20:

7:30 - 8:30	Breakfast
9:00	Session IV: Regulation of Development by Hormones and Growth Factors, B. White, Connecticut Health Center, Chair.
Noon	Lunch/Announcement of best student presentation.
